Press Release

State Brewers Compete in Seventh Washington Beer Awards®

Washington's state-wide professional beer competition

Seattle, WA, June 4, 2019: Join us as we reveal the best beers from the top breweries in Washington State! A team of 78 trained beer judges evaluated 1,467 beers from 193 Washington breweries at the seventh annual Washington Beer Awards and awarded gold, silver, and bronze medals in 79 categories.

The competition was organized by Specialty Competitions LLC and held with the endorsement of the Washington Beer Commission as a way to celebrate Washington's growing brewing culture and recognize excellence in the craft.

The results will be announced at 10:05 AM on June 15th at the Washington Brewers Festival at Marymoor Park in Redmond. Many of the award winning beers and brewers will be serving at the festival so it is great chance to taste some of Washington's finest beers and meet the winning brewers first hand.

More information on the Washington Beer Awards can be found at www.wabeerawards.com/press. Results from the competition will be posted on the website shortly after the festival announcement. A short video from previous competition days are available for viewing at www.wabeerawards.com/2014judging. For more information on the competition and beer judging, please contact the organizers at organizers@wabeerawards.com.

Details on the Washington Brewers Festival can be found at the website below: <http://www.washingtonbeer.com/festivals/washington-brewers-festival.php>. Media wishing to attend the Festival to cover the event can contact eric@washingtonbeer.com.
